EAGLES' LANDING

This before and after school program is available for kindergarten through sixth grade students. Eagle's Landing is open from 6:00 a.m. until school begins and from when school ends until 6:00 p.m.

Contact your school's office for more information.

PERFECT ATTENDANCE

Students may maintain a perfect attendance record by attending classes each day school is in session and must be present from 7:45a.m. – 3:00p.m. Students with perfect attendance will receive special recognition at the end of the school year.

STUDENT ATTENDANCE

Students who arrive after 9:30 a.m. or check out prior to 1:30 p.m. will be counted absent one half day. When students miss five (5) days in a semester, parents, guardians, and persons in loco parentis will be notified.

More than nine (9) unexcused absences in a semester will be considered excessive. The Department of Human Services or a Juvenile Court Officer will be contacted for students with more than nine (9) unexcused absences in a semester.

The State Board of Education pursuant to ACT 473 recognizes two types of absences of students in the school districts in Arkansas, excused and unexcused. An excused absence is defined as one in which the student was absent for one of the following reasons:

- Official school-sponsored activities (i.e. field trips, academic competitions,)
- Participation in an FFA, FHA, or 4-H sanctioned activity (Documentation of participation must be provided by the advisor)
- Documentation of court appearances or other government agency
- Documentation of medical appointments
- Death in the family (Documentation in the form of obituary, funeral program, etc. is required)
- Any circumstance not covered above which the Principal determines is excused.

Excused absences may be granted to allow a student to visit his/her parent or legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the Principal.

When excessive days are missed, the school district is required by law to notify the Faulkner County Juvenile Court. Parents, guardians, or persons in loco parentis shall be subject to a civil penalty fee plus court costs and any reasonable fees assessed by the court.

Additional incentive and/or reward programs may be offered throughout the school year for satisfactory attendance. Students may be denied participation in these programs due to excessive absenteeism. Criteria to earn participation in incentive programs will be shared with parents and students at the start of the school year.

STUDENT CHECKOUT PROCEDURES

Students arriving after 7:45 or checking out early must always be signed in or out from the office by a parent, guardian, or designee.

Important points to remember about early checkouts:

- A student may not leave school directly from the classroom.
- Parents or designated persons must check the student out at the checkout station located in the FMIS lobby. The office staff will call the student to the office. Parents or designated persons must remain in the lobby area until their student arrives.
- Routine early checkouts (tardies) are discouraged as this creates classroom disruptions and instruction time will be missed.
- We encourage parents to schedule doctor and dental appointments after school hours whenever possible.
- The persons allowed to pick up a student from school during the school year must be listed on the student's *Enrollment Information* in the district's eSchool system. Enrollment information can be updated during registration times and/or by contacting the FMIS office during the school year, when necessary.
- Please contact the school office (in person or by phone from the phone number listed in eSchool) if someone different from those listed on your student's *Enrollment Information* will pick up your child from school.
- Parents or designated persons must call the main FMIS office to make changes in how a student regularly goes home by 1:30PM.
- All early check-outs must be done by 2:40PM.

STUDENT RECORDS

Each school maintains academic and health records for each student. The principal or designated school official must be contacted when inquiring about all academic and personal records. These records are considered confidential and can only be inspected by parents, school officials, and students who are 18 years of age, or who are attending an institution of post-secondary education. These records are maintained in a secured location. In order for records to be released, written consent must be obtained from the parents of the student, except in the following cases:

1. Other school officials within the same school may request and receive a student's record.
2. Officials of other schools or school systems in which the student has enrolled may request and receive a student's records.

Vilonia School District does not distinguish between a custodial and non-custodial parent, or a non-parent, such as a person acting in loco parentis or a foster parent with respect to gaining access to a student's records. Unless a court order restricting such access has been presented to the district to the contrary, the fact of a person's status as a parent or guardian, alone, enables that parent or guardian to review and copy his child's records.

If there exists a court order which directs that a parent not have access to a student or his records, the

parent, guardian, person acting in loco parentis, or an agent of the Department of Human Services must present a file-marked copy of such order to the building principal and the superintendent. The school will make good-faith efforts to act in accordance with such court order, but the failure to do so does not impose legal liability upon the school. The actual responsibility for enforcement of such court orders rests with the parents or guardians, their attorneys and the court which issued the order.

ACADEMICS, CURRICULUM AND INSTRUCTION, STUDENT SERVICES, AND ACADEMIC ASSISTANCE

FMIS provides the following services to assist students:

1. Gifted/Talented
2. ESL
3. Student and Family Counseling Services
4. Title 1
5. Special Education Services
6. Speech Therapy
7. Computer Lab
8. Response To Intervention (RTI) - The function of the RTI team is to assist with implementation of an appropriate intervention plan for the student. If a parent wishes to refer their student to the RTI Team, the parent should submit (in writing) reasons why their child should be considered for a referral. The parent can submit this information to the classroom teacher or building principal.

GRADING REQUIREMENTS

Grades assigned to students for performance in a course or subject shall reflect only the extent to which a student has achieved the expressed academic objectives of the course or subject. Teachers may also include other educational objectives such as those relating to student learning expectations contained in the Arkansas State Standards in determining a student's grade. Students will have a list of skills to be mastered each nine weeks.

- 4 - Mastery and Advanced Understanding of Grade-Level and/or Above Grade-Level Standards
- 3 - Meeting Grade-Level Standards with Proficiency
- 2 - Progressing Towards Proficiency of Grade-Level Standards
- 1 - Needs Significant Support in Meeting Grade-Level Standards

HOMEWORK

The staff at FMIS believes that homework is an important element of student learning and achievement. Students are encouraged to be actively involved in learning and to accept responsibility for their own progress and achievement. Homework is an essential element of the total instructional program which allows students extended time to master basic skills, concepts, and learning objectives.

REPORTING STUDENT PERFORMANCE

Each school within the Vilonia School District will, through its teachers and staff, communicate personally with the parent(s) or guardian(s) of each student during the school year to discuss the student's academic progress. More frequent communication is required when students are not performing at the level expected for their respective grade levels.

A progress report will be sent home at the mid-point of the nine-week period to the parents of each student. This report will be sent home with the student to be signed by the parent/designated persons and returned to the student's homeroom teacher. Report cards will be sent each nine week period and should be signed and returned promptly.

All schools will schedule two (2) parent-teacher conferences during each school year. Notice of conference dates is communicated to parents and guardians of students at all grade levels. Each school shall document participation or nonparticipation in required conferences.

Parent/Teacher Conference Days have been scheduled. (Please see the [23-24 Student Calendar](#)). Other conferences can be scheduled as needed. Telephone calls or emails can be sent to request a conference. Additionally, letters and notes may be sent home when appropriate. Teachers are pleased to discuss your child's progress with you but will not be available for phone calls, conferences, or emailing during class time.

PROMOTION AND RETENTION OF STUDENTS

One of the most important responsibilities of any school is to determine grade level placement in which each student can best achieve academic success. A student will only be retained if the student has a better opportunity for academic success as a result of retention. Students will be promoted to the next grade level if satisfactory academic progress has been made. The decision to retain a student could be based on; but not limited to, the following criteria:

- Academic progress towards grade-level standards in the areas of reading, language, and/or math
- District and State Assessments
- Attendance
- Student Behavior

For more information regarding student retention and promotion, refer to VSD Policy 4.55.

STUDENT BEHAVIOR EXPECTATIONS

The school rules and regulations are intended to promote an atmosphere that is conducive to learning, as well as ensure the protection of the rights of each student. Students can and will exhibit positive behavior and make responsible choices when administrators, teachers, and adults implement a school-wide discipline program. The most effective component of a school-wide discipline plan is helping students see the correlation between cause and effect and what specific behaviors contribute to their own successes and failures.

We ask that you discuss with your child the importance of and need for appropriate behavior and a positive attitude while at school. Prohibited behaviors include, but are not limited to:

- **Academic Dishonesty**
- **Bullying** - Behavior designed to taunt, degrade, or ridicule another person on the basis of race, ethnicity, national origin, sex, or disability.
- **Damage or Destruction of School Property** – Students/Parents/Guardians are responsible for recovery and/or restitution.
- **Disrespect**
- **Disruption and Interference with School** - Students shall show respect for authority in school buildings, on school grounds, in virtual learning environments, and at school-sponsored events. Students shall not engage in violent, abusive, obscene, or hostile acts. Profane language addressed to any district employee, student, or the general public is prohibited. Threatening to fight, challenging to fight, or fighting any school employee or peer is prohibited.
- **Electronic Device Violation** – (See VSD DP.4.29 & DP.4.47) – Students shall not record or photograph without administrative approval.
- **Insubordination** - Disregard of direction or commands
- **Physical Abuse or Assault of Students or Staff** – A student shall not use violent, abusive, obscene, or profane language when addressing any teacher, student, or other individual. A student shall not cause or attempt to cause physical injury to a teacher, student, or any other individual. Fighting may result in suspension from school.
- **Possession of Prohibited Items** – Accelerants, Alcohol, Ammunition, Drugs, Drug Paraphernalia, E-Cigarettes/Vapes, Explosive Devices, Firearms, Fireworks, Laser Pointers, Lighters, Mace/Pepper Spray, Tasers, Tobacco, Weapons, and other instruments capable of causing bodily harm.
- **Public Displays of Affection (PDA)** – Displaying affection is a private matter and has no proper place in school.
- **Sexual Harassment**
- **Theft** – Students/Parents/Guardians are responsible for recovery and/or restitution

Additional incentive and/or reward programs may be offered throughout the school year for satisfactory behavior. Students may be denied participation in these programs due to excessive misconduct. Criteria to earn participation in incentive programs will be shared with parents and students at the start of the school year.

DISCIPLINARY ACTIONS

The minimum penalty for student misconduct will be a verbal warning and the maximum penalty will be expulsion by the Vilonia School Board and/or possible law enforcement involvement depending upon the severity and frequency of the misconduct. Disciplinary actions include; but are not limited to: recess/lunch detention, parent conference, in-school-suspension, or out-of-school suspension.

BUS TRANSPORTATION

While our district provides a system of transportation, it also requires parents of students to accept responsibility for supervision until the child boards the bus in the morning and after the child leaves the bus at the end of the day. Since the bus is an extension of the classroom, it is a requirement that children conduct themselves in a manner consistent with standards for classroom behavior.

The purpose of the transportation department is to provide the safest, most efficient transportation possible for those students who are to be transported to and from school. All matters concerning bus transportation should be directed to Mark Brewer, Director of Transportation, at 796-8160.

Bus Rules:

1. Be at the bus stop at the scheduled time. It is not practical for the bus driver to wait on riders at bus stops because such delays will result in the bus route taking much longer to run.
2. Stand back about 10 feet from the bus stop and wait until the door is opened before moving close to the bus. Do not play on the highway or road. If you miss the bus, do not attempt to hitchhike a ride or walk to or from school.
3. While loading or unloading, enter or leave the bus orderly and quickly.
4. While riding the bus, students are under the supervision of the driver and must obey this person at all times. The driver has the authority to temporarily suspend a student from riding the bus.
5. No knives, sharp objects, firearms, live animals, glass containers, or gift balloons will be allowed on buses.
6. Each student must be seated before the bus is put in motion.
7. Students are not to tamper with any of the bus safety devices such as door latches, fire extinguishers, etc. Riders must stay seated while the bus is in motion and must not move while the bus is stopped except as the driver directed. Students are not to put their hands, arms, heads or bodies out of the windows. Yelling at people outside the bus is also not permitted.
8. Students are expected to conduct themselves in a manner that will not distract the attention of the driver or disturb other riders.
9. Students are not to deface the bus or any other school property. Writing on the bus or damaging seats will result in the student and parent/guardian being responsible for cleaning, repair or replacement of the property.
10. Students are responsible for helping keep buses clean and are not to throw paper or other objects on the bus floor.
11. Eating and drinking on the bus is not permitted. Exceptions can be made with driver approval.
12. Smoking or use of tobacco is not permitted.
13. Aisles are to be kept free of books, lunches, coats, and other personal belongings. Students are also to keep their feet out of the aisles while seated.
14. Students will not be let off the bus anywhere other than their designated bus stop unless a person is released directly to his/her parent or guardian or unless written permission is given to get off at another location by the parent/guardian and principal.
15. When a student must cross a road or highway to catch the bus, he or she should cross in a safe manner prior to the bus arriving or, if the bus arrives before the student crosses the road or highway, the student is to wait until the bus has come to a complete stop and cross only after the driver has signaled.
16. Students may not ride any bus other than the one on their designated route unless the parent/guardian and principal grant permission and such permission must be copied in the school

office and communicated to the driver.

17. Cell phones are allowed to be used while on the school bus under the following guidelines: NO taking of pictures/videos, headphones must be used but can only be in one ear for safety reasons. These rules do not cover all situations on all bus routes. Drivers may use discretion in implementing rules, which ensure the safety of students in special or unusual situations.

RIDING A VILONIA SCHOOL BUS IS A PRIVILEGE, NOT A RIGHT. THE ONLY OBLIGATION OF THE SCHOOL DISTRICT IS IF WE TRANSPORT ANY STUDENTS THAT IT BE DONE IN A SAFE MANNER. ANY STUDENT WHO DISPLAYS UNACCEPTABLE CONDUCT OR AN UNCOOPERATIVE ATTITUDE MAY LOSE THE PRIVILEGE OF RIDING A BUS.

The minimum penalty for student misconduct on bus transportation will be a verbal warning and the maximum penalty will be removal from school transportation and/or possible law enforcement involvement depending upon the severity and frequency of the misconduct.

PARENT CONCERNS & DUE PROCESS

In the event that parents or guardians need to resolve a problem or address a concern within their school, it is sometimes difficult to know where to begin. As a general rule of thumb, it is usually best to attempt to resolve any problem at the point of origination.

If the concern originated in the classroom:

1. The teacher should first be allowed to address the situation.
2. If the situation is not resolved with the classroom teacher, building level administration should then be approached.
3. If the parent/guardian does not feel the situation is resolved with building level administrators, the parent/guardian can request a meeting with Central Office administrators.

BULLYING AND CYBERBULLYING

Act 1437 of 2005 required school districts to adopt Anti-Bullying Policies. For the purpose of this policy, “bullying and cyberbullying” are defined as; when a student or faculty member is exposed repeatedly and over time, to intentional negative actions on the part of one or more students. It may include but not be limited to, repeated intimidation of others by real or threatened harm (written, verbal, physical or emotional abuse) to another student or their property. Examples may include, but not be limited to intentional name calling, verbal taunts, ethnically based or gender-based verbal put-downs, extortion of money or possessions and threats to hurt, maim, or kill. **Please explain to your child the disciplinary possibilities when these activities occur at a public school.**

Bullying and cyberbullying are prohibited by the Vilonia School District. Specifically, students are prohibited from bullying and cyberbullying while on school property, while attending any school sponsored activities, and on any school provided transportation, or at any school bus stop. School employees who witness bullying or cyberbullying, or have reliable information that a student has been the victim of bullying or cyberbullying, as defined in this policy, shall report the incident to the building principal immediately.

Students who are involved in the bullying or cyberbullying of another student or faculty member are subject to disciplinary action. The discipline for the offense of bullying or cyberbullying will range from a parent conference to expulsion.

STUDENT DRESS

The Vilonia Board of Education recognizes that dress can be a matter of personal taste and preference. At the same time, the district has a responsibility to promote an environment conducive to student learning. This requires limitations to student dress and grooming that could be disruptive to the educational process because they are immodest, disruptive, unsanitary, unsafe, could cause property damage, or are offensive to common standards of decency. Any distracting or disruptive type of clothing, dress, jewelry, or makeup will not be permitted. Clothing should conform to the following guidelines:

1. Shorts, skirts, and dresses will be no shorter than 5 ½ inches above the top of the knee cap.
2. Shorts and pants worn as outside garments should not be made of sheer/see-through spandex or other tight-fitting sheer/see-through materials (for outer garments over these materials, see rule #1).
3. Pants and shorts with holes at or above a point 5 ½ inches above the top of the knee cap will not be permitted.
4. No hats, caps, scarves, bandanas, or other head coverings, except when given administrative consent.
5. No tank-tops, halter tops, bare midriff garments, strapless garments, spaghetti-strap tops, unbuttoned shirts without an undershirt, sleeveless garments that do not fit closely around the arms, or see-through tops (worn as an outer garment). Shirts should be long enough to tuck into pants.
6. Any clothing, hairstyle, body-piercing, or hair color that is deemed disruptive is not allowed.
7. Clothing with illegal substances, tobacco, drugs, alcohol, cigarette logos, obscene or suggestive pictures, and obscene, profane, or suggestive words, items that have double meanings, distractive items, and gang related clothing and paraphernalia will not be permitted.
8. Shoes must be worn at all times. House shoes are not permitted.
9. Sunglasses and similar outdoor apparel are not to be worn inside the building.
10. Students are prohibited from wearing, while on school grounds during the day and at school-sponsored events, clothing that exposes underwear, buttocks, or the breast of a female (*Arkansas Code § 6-18-503*).

The above list is not exhaustive since styles, fashions, and fads change, and administrators may make decisions regarding other modes of dress which may be considered inappropriate. Final decisions will be left to the discretion of the principal or designee.

HEALTH SERVICES

When medication is required during school hours, a medication form signed by parent or guardian explaining proper dosage instructions must be completed. The parent/guardian must bring the medicine in its commercially labeled container to the school nurse. Medication should be brought only on a day-to-day basis unless other arrangements have been approved by the nurse.

If there is a need to give medication on a long-term basis for convulsive disorders, ADD/ADHD, asthma, etc., a doctor's statement is required by the school in order for the school to give the medication during the school day. The doctor's statement must include a summary of any reaction that might occur.

The school does not keep Tylenol or similar medications for student use. Cough drops, aspirin, Tylenol, etc., are considered medications and will not be administered unless you send the medicine and the above procedures are followed. If a student becomes seriously ill at school, we will contact his/her parents immediately. If we cannot reach them, we will use the emergency contact information they have provided. Please remember, we cannot keep seriously ill children in school.

If a student is injured at school, we will make him/her comfortable and then call his/her parents immediately if a serious injury has occurred. If they cannot be reached, we will attempt to contact the emergency numbers listed on the Student's Enrollment Information.

SCHOOL CAFETERIA PROCEDURES AND EXPECTATIONS

The school cafeteria serves breakfast each morning (between 7:15 and 7:45 a.m.) and lunch every day. Free or reduced-price lunches are available for those meeting federal guidelines. Applications are sent home with students at the beginning of the school year. Students not purchasing the school lunch may bring a lunch from home and purchase a drink at school.

Students are expected to follow the following cafeteria rules:

1. Walk; do not run to the cafeteria.
2. Wait your turn in line in an orderly fashion and do not cut in front of other students.

3. Be sure to take care of your trash and trays properly.
4. Food purchased in the cafeteria must be eaten in the cafeteria.
5. Do not take books and/or bags into the cafeteria.
6. Wait at the end of the lunch line if you are not wearing your school ID.

Parents may bring food from home or local eateries for their child only. **Parents may not provide food for any other child but their own. Parents may eat lunch with their child at the parent table.**

Class will not be interrupted to notify students of delivered lunches. Parents are to make arrangements prior to the scheduled school day for student pick-up of delivered lunches.

STUDENT PLACEMENT AND TEACHER REQUESTS

While parent input is highly valued at Frank Mitchell Intermediate School, we want to ensure that a fair and purposeful process of student placement is practiced consistently. Student placement is based on specific criteria. In order to create well-balanced classes, teacher requests will not be taken.

Parents and guardians are encouraged to provide any information regarding their child and any special circumstances related to their academics that might need to be considered.

GUIDANCE AND COUNSELING SERVICES

The Vilonia School District will provide guidance and counseling services to all students as prescribed by the regulations of the State of Arkansas. The district will endeavor to employ highly qualified and certified school counselors to provide educational, vocational and personal counseling for all students. The Counseling Department of the district will work together as a team to provide assistance to students, faculty and administration. All counselors will receive opportunities for professional growth which will allow them to learn new strategies and services which can assist all students.

As we strive to provide safety to our students, all reports of suicide threats or self-harm will be taken seriously. The following plans will be implemented to protect students.

SUICIDE THREATS

Whether verbal, written, or otherwise reported or indicated, the student will be located and monitored for safety by an adult. A counselor or an administrator will talk to the student to determine the next steps to be taken. No matter the determination, the parent/guardian will be contacted and the parent/guardian will pick up or arrange for pickup of the student from school.

Other possible next steps:

1. A suicide risk assessment or a 911 call for ambulance transport to the ER for a risk assessment.
2. If the student is currently a therapy client, the therapist will be made aware of the situation by either the school or by the parent.
3. If the student is not a therapy client, a referral form for therapy will be given to the parent/guardian with an acknowledgement of receipt form to be signed by the parent/guardian.

4. When the parent takes custody of the student from the school, a release of responsibility waiver will be signed.
5. A copy of the school plan of re entry will be given to the parent/guardian and will be expected to be followed.
6. Failure of the parent/guardian to take responsibility for the well being of the student by getting the appropriate help will result in a call to the hotline for negligence.

If the threat is brought to an adult after the dismissal bell, a good faith effort to contact the parent/guardian will be made on that day and the release forms will need to be signed and returned before the student will be allowed to return to school. If a parent/guardian can not be contacted, the emergency contact will be called to ensure the safety of the student.

SELF-HARM

When self-harm is reported by someone, whether visible or otherwise indicated, the student will be located and spoken to by a counselor, nurse, or an administrator. The school personnel will determine if any evidence of self-harm exists and what steps need to be taken. Upon any indication of intent or evidence of self-harm, a parent will be contacted.

If self-harm is evident or intent to self-harm is discovered, the following are possible steps to be taken:

1. If the student is currently a therapy client, the therapist will be made aware of the situation by either the school or by the parent.
2. If the student is not a therapy client, a referral form for therapy will be given to the parent/guardian with an acknowledgement of receipt form to be signed.
3. The parent/guardian will be asked to email acknowledgement of the incident or sign the acknowledgement form at the school.
4. Failure of the parent/guardian to take responsibility for the well being of the student by getting the appropriate help will result in a call to the hotline for negligence.

If the self-harm (not being suicide) threat is brought to an adult after the dismissal bell, but can't be investigated, a counselor or administrator will follow the procedures first thing on the next school day unless the school is on a prolonged break. If the school is on a break, a good faith effort will be made to inform the parent/guardian of the unsubstantiated report.

CONTACT BY LAW ENFORCEMENT, SOCIAL SERVICES, OR BY COURT ORDER

State Law requires that Department of Human Services employees, local law enforcement, or agents of the Crimes Against Children Division of the Department of Arkansas State Police, may interview students without a court order for the purpose of investigating suspected child abuse. If alleged maltreatment of a child by parent, guardian, custodian, or person standing in loco parentis is named and the alleged offender is being investigated by the Crimes Against Children Division of the Department of Arkansas State Police, or an investigator, or employee of the Department of Human Services, the principal or the principal's designee shall not attempt to make contact with parent, guardian, custodian, or person standing in loco parentis.

CONTACT BY NON-CUSTODIAL PARENTS

If there is any question concerning the legal custody of the student, the custodial parent shall present court documentation to the principal establishing the parent's custody of the student. It shall be the responsibility of the custodial parent to make any court ordered "no contact" or other restrictions regarding the non-custodial parent known to the principal by presenting a copy of a file-marked court order. Without such a court order on file, the school will release the child to either of his/her parents. Non-custodial parents who file with the principal a date-stamped copy of current court orders granting visitation may eat lunch or otherwise have contact with their child during school hours. Prior approval from the school's principal is always appreciated and encouraged. Such contact is subject to the limitations outlined in Policy 4.16, Policy 6.5, and any policies that may apply.

Unless prior arrangements have been made with the school's principal, Arkansas law provides that the transfer of a child between his/her custodial parent and non-custodial parent, when both parents are present, shall not take place on the school's property on normal school days during normal hours of school operation.

PLACEMENT OF MULTIPLE BIRTH SIBLINGS

The parent, guardian or other person having charge or custody of multiple birth siblings in grades pre-K through 6th may request that the multiple birth siblings are placed in either the same or separate classroom. The request shall be in writing no later than fourteen (14) calendar days prior to the first day of classes at the beginning of the academic year. The school shall honor the request unless it would require the school to add an additional class to the sibling's grade level. If one parent of multiple birth siblings requests a placement that differs from that of the other parent of the same multiple birth siblings, the school shall determine the appropriate placement of the siblings.

The school may change the classroom placement of one or more of the multiple birth siblings if:

1. There have been a minimum of 30 instructional days since the start of the school year and after consulting with each classroom teacher in which the siblings were placed, the school determines the parent's classroom placement request is:
 - Detrimental to the educational achievement of one or more of the siblings;
 - Disruptive to the siblings' assigned classroom learning environment; or;
 - Disruptive to the school's educational or disciplinary environment.

VISITORS

For the safety and security of our students and staff, all visitors (including parents) must check-in through the office. Sign in and pick up your visitor's badge. Children who are not enrolled in this school may not attend classes. Parents are encouraged to come have lunch with their children periodically. Parents may eat lunch with their child at the parent table. If possible, please send a note or call ahead. We LOVE for parents to visit!!

BIRTHDAY PARTY INVITATIONS AND CELEBRATIONS

Birthday invitations, advertisements, or flyers will not be distributed at school. The office will not provide contact information to any individual for the purpose of distributing birthday invitations.

Due to the risk of food contamination or unknown food allergies, foods made at home may not be distributed within the school. If your child wants to bring a birthday treat to his/her homeroom class, we encourage them to bring sealed, commercially pre-packaged snacks or non-food party favors.

ANIMALS, PETS, ELECTRONIC DEVICES, CELLULAR PHONES, TOYS, TRADING CARDS

For safety and health reasons, no animal or pet may be brought to school without permission from the principal. Animals and pets may not be transported on the bus or in glass containers.

Toys, including stuffed animals, certain sports balls and trading cards of any sort are generally not allowed at school. Exceptions will be made for occasional, specific classroom/instructional reasons.

All student cell phones must be turned off and put away while on FMIS campus during the school day. Students are not allowed to have their phones on at any time during the day unless permission has been given by the administration. Smart watches that are used for any other reason than to check time, fall under this policy. Other non-instructional devices/items may not be brought to school without permission.

CARE OF TEXTBOOKS AND LIBRARY BOOKS

Students are responsible for all textbooks and library books issued to them during the school year. Books must be paid for if lost or damaged. All monies collected are recorded by the school bookkeeper and paid to the proper fund for replacement purposes. If a lost book is later found, money previously paid will be refunded. Fees for lost/damaged books or other school property must be paid in full by the end of the school year.

ID BADGES

Students and staff may be required to wear identification badges at school for safety and security reasons. Students may leave their ID badges at school. They are not required to take them home. The additional cost for lost or damaged badges is \$5.00.

LOCKERS

Lockers are made available to students for keeping books and other personal belongings during school. Students will be assigned lockers upon obtaining their class schedules or by their teacher. Students are not to change lockers or share lockers. The school will not be responsible for articles kept in lockers. Students have no expectation of privacy when renting lockers. Inspection of student lockers and their contents is the right and responsibility of school administrators whenever there is reasonable suspicion. Items which are specifically prohibited by law, board policy, or school regulations may be confiscated.

LOST AND FOUND

A “lost and found” is used to collect misplaced items. Turn in anything you find to the office as soon as possible. Items not claimed will be discarded or donated at regular intervals throughout the year.

PARENT ORGANIZATIONS

Parent organizations exist to promote the education and welfare of our children. Parents are encouraged to join and participate in various organizations at Frank Mitchell Intermediate School. If you'd like to become more actively involved, please contact the office for more information.

FMIS PARENTAL INVOLVEMENT PLAN SUMMARY

Understanding the importance of parental and community involvement, both schools will strive to create partnerships with parents and community members that support and promote academic achievement.

- Inform parents about parental involvement programs, meetings, and other activities available during the school year.
- Provide information to parents about volunteer opportunities at FMIS.
- FMIS will engage parents in the evaluation of our parental involvement efforts.
- An Annual Title I Meeting will be conducted during the first quarter for parents and students who participate in the Schoolwide Title I program.
- FMIS will send brochures and notes home with students, post notices in school facilities and public buildings, provide information for local newspaper, Remind 101, and use the alert now phone system about parent workshops and meetings.
- Information will be posted for parents on the schools' social media page, and district website.
- The district provides an interpreter for bilingual speaking parents.

PARKING ON CAMPUS

Because of traffic congestion and safety concerns, we ask that you NOT park in the loading and unloading zones at any school entrance. If you must leave your vehicle, please park your vehicle in a marked parking space.

STUDENT PICK-UP/DROP-OFF

For the safety of students boarding and disembarking buses, parents/guardians are asked to carefully follow designated car-rider routes. Routes for car-riders and buses will be shared with parents/guardians prior to the start of the school year. If any changes are made to the designated routes, parents/guardians will be notified.

Purposely disregarding designated routes or driving recklessly during student pick-up/drop-off times will result in a report to the Vilonia Police Department.

SCHOOL INSURANCE

The district provides a limited accident insurance policy on every student. If you have any specific questions about this coverage, call the Central Office at 796-2113.

TELEPHONE USE

Students are allowed to use the school telephone for emergencies only as determined by the administration or other staff.

SCHOOL-SPONSORED EDUCATIONAL TRIPS (Field Trips)

- Students may be denied participation in school-sponsored education trips due to excessive misconduct or chronic absenteeism.
- All students are required to have school-sponsored educational trip permission slips signed by parents/guardians before being allowed to travel on any school-sponsored trip.
- Students are required to ride in school vehicles to the destination for educational field trips. Requests for exceptions to this must be approved by the building principal or assistant principal.
- Students may return from the activity with their parents provided the school official in charge agrees and the parent has signed the checkout sheet carried by the official-in-charge.
- Students riding from the trip destination with anyone other than the parent are required to submit written permission in advance to the school's principal.
- Parents, grandparents or other adults should plan on traveling in private vehicles.
- Parents who have been asked to help chaperone, may ride the bus if the teacher/driver deems that space is adequate for extra riders.
- Siblings and other children are not allowed to participate in school-sponsored trips or ride the school bus.

PROCEDURES FOR CHANGING STUDENT DISMISSAL ROUTINE

For a student to go home any way other than the usual way, the student must have a note signed by his/her parent or guardian. If a student does not have a signed note, he/she will be sent home the usual way.

All notes will be verified by the office staff.

PHONE NUMBER AND/OR ADDRESS CHANGES

Please notify the school immediately if there is a change to your address, phone numbers, babysitter, or emergency contact information. This information is very important in case your child becomes ill or injured and for written correspondence sent by mail. To be effective, our calling system requires updated phone numbers. We need your physical mailing address, not a post office box, for our records.

INCLEMENT WEATHER AND SCHOOL CLOSINGS

When weather conditions make it dangerous for school buses to run, local radio stations and Little Rock television stations will announce school closings as early as possible. The schools may send out mass phone messages alerting parents of school closings. Many times it is impossible to predict the road conditions in advance, so the decision on bus operation may have to be made shortly before regular bus departure time.

When school is not open due to inclement weather or other emergency conditions, public announcements will be made at the earliest possible time by the administration through the local television stations, social media, and phone notification system.

EMERGENCY DRILLS

Emergency drills will be conducted frequently throughout the school year. Students will be given specific directions to follow during all fire, tornado, and other emergency drills. It is imperative that students adhere to all directives given during these drills. Not doing so will result in disciplinary action.

STUDENT TECHNOLOGY DEVICE AGREEMENT

Students in grades K-12 will be assigned Chromebooks that will enable them to effectively engage in remote learning. Utilizing these Chromebooks teachers will have a greater ability to integrate classroom instruction and technology for all students. We're excited about the new potential for learning this will bring to our students! If you would like for your student to bring home a Chromebook, you and your student must first read and agree to the following terms with your signature. Dear Parent / Guardian,

Act 104 of 1983 requires that school districts adopt written discipline policies that follow Arkansas Department of Education guidelines. The Arkansas Standards of Accreditation also require that the school district shall have on file statements signed by parents and students that they have received an electronic and/or written copy (available upon request) of the school discipline policies. Students are informed the student handbook is online and that it contains the Vilonia School District Discipline Policies. Furthermore, please understand that if your child did not score proficient or advanced on any State mandated examination administered last year, he/she will participate in a remediation program administered by the Vilonia School District in order to satisfy state requirements.

Sincerely,

VSD Administration

The signature affixed to this form neither confirms nor rejects my support for these policies. It only acknowledges that I have either received or have been provided access to the student discipline policies.
